

### How to use this price list

Prices are per item unless another otherwise noted, such as strand, vial, etc. Is specified. The abbreviation »pk« indicates that the items sold are in packs of the quantity stated

### Discount Pricing

You may use the discount prices if you are purchasing in quantities indicated in the discount quantity column. If that number is followed by a "+" sign, order that quantity or more for the discount price

### Completing The Order Form

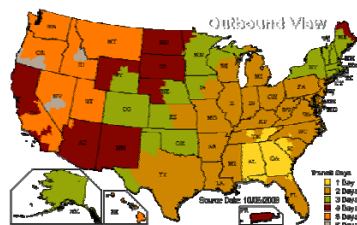

Fill in the SKU number that is associated with the page number and style letter in the catalog in the space provided. Calculate the cost of your order by multiplying the number of beads times the appropriate price. Please add the selected shipping method and sales tax if you are shipping to Connecticut, Pennsylvania or Georgia.

### Shipping

Orders placed before 2pm EST are processed same day and will leave our warehouse within 24 hours unless otherwise contacted. Orders placed after 2 pm EST will be processed next business day. Please factor in processing time along with delivery time when determining shipment delivery. Please see the chart below for delivery options and times

Please note that international customers will be billed the exact cost of shipping.

NAME	COST

### Out Of Stock Items

Kindly note that we make every attempt to remain in stock of our products. The nature of bead production and sourcing causes occasional shortages. We will ship partial orders unless you instruct us otherwise. You will only be charged for the items we ship. If you would like to be put on our back order list for any item we did not have in stock please let us know and we will notify you as soon as the item(s) are available

### Price Variations

**Gemstones:** Our gemstones are hand picked for their color, cut and stone quality. Each is unique and prices will vary by weight.

Please note that the price shown for strands, pendants and pairs is an average for the cut and dimensions listed. The price of gemstone shipped may vary +/-10% depending on its exact weight.

If the price is more than 10% greater than the advertised price you will be notified via email before your order is processed to get your approval before proceeding. If the difference is less than 10% above or below the listed price, your order will be adjusted for price, processed and shipped as per our normal policy.

**Precious Metals:** Due to the market fluctuations in gold and silver we reserve the right to change these prices accordingly. Please check out [www.beadworks.com](http://www.beadworks.com) for more current pricing. Please note that we will notify you of any changes prior to shipping your order.

### Backorders:

We do not backorder in the typical sense. We will always notify you when we do not have an item and offer you the option to be put on our backorder list to be notified when we do have the item in stock again. Please note that due to the unique nature of our items and the remote areas of the world in which many items are made; it make take up to 8 weeks before we have the item in stock.

### Return Policy

Please note that we do not accept returns of cut items (cords, chain, etc.), special orders, or shipments outside of the United States and Canada. All other items may be returned for a full refund (excluding shipping and handling) provided they are returned within ten business days of receipt in their original condition and packaging and with a copy of the invoice. Absolutely no returns will be accepted after two weeks

Prices are valid at the time of printing but are subject to change without notice. For the most current prices please refer to [www.beadworks.com](http://www.beadworks.com)
